~~(FBI) INTEREST IN FLYING SAUCERS~~

Thursday, 11 December 1952 (5)

25X1A ~~TOP SECRET~~ (FBI) Liaison Officer (Code 175 X-515) called to see Mr.
25X1A Amory and in the latter's absence I took ~~TOP SECRET~~ request. It was that
25X1A Mr. Hoover is very much interested in the subject of flying saucers and it
25X1A has been reported to him that the matter was discussed at the IAC Meeting of
25X1A 4 December. Mr. Hoover had asked ~~TOP SECRET~~ to obtain as much information as
25X1A we are willing to give him. I discussed with DD/I, who later discussed it
25X1A in turn with General Smith. It was decided that O/SI would be authorized
25X1A to brief ~~TOP SECRET~~ with as much information as is available from O/SI to the
25X1A other IAC members. I so informed ~~TOP SECRET~~ who will get in touch with
25X1A ~~TOP SECRET~~ early next week. [N.B.: DCI has said pungently that ~~TOP SECRET~~ or someone
25X1A9a ~~TOP SECRET~~ should attend IAC meetings so he could
get dope. added by RATr]
